

Medical Home Resources By Family Voices of North Dakota

Medical Home

The National Center of Medical Home Initiatives for CSHCN provides support to physicians, families and other promedical and nonmedical that care for CSHCN so that they have access to a medical home. <http://www.medicalhomeinfo.org>

Center for Medical Home Improvement: Building a Medical Home-Improvement Strategies in Primary Care for CSHCN: <http://www.medicalhomeimprovement.org>

For more information about the Division of Children with Special Needs to receive medical home newsletter e-mail: medical_home@aap.org with "Subscribe" written in the subject line.

National Agenda for Children with Special Health Care Needs (CSHCN)

Achieving and measuring success: A National Agenda for CSHCN. This includes the six indicators of progress.

<http://www.mchb.hrsa.gov/programs/specialneeds/measuresuccess.htm>

Presidents New Freedom Initiative-Fulfilling Americas Promise to Americans with Disabilities. <http://www.hhs.gov/newfreedom>

Six critical indicators of Progress for CSHCN:

1. **All children will receive regular ongoing comprehensive care within a medical home.** The National Center of Medical Home Initiatives. <http://www.medicalhomeinfo.org>
2. **All families of CSHCN will have adequate public and private insurance to pay for the services they need.** The National Center on Financing for CSHCN: <http://cshcnfinance.ichp.edu> ; The Maternal and Child Health Policy Research Center: <http://mchpolicy.org>
3. **All children will be screened early and continuously for special health care needs.** National Center for Hearing Assessment and Management: <http://www.infanthearing.org> ; The National Newborn Screening and Genetics Resource Center: <http://genes-r-us.uthscsa.edu/>
4. **Families of CSHCN will participate in decision making at all levels and will be satisfied with the services they receive.** Family Voices: <http://www.familyvoices.org> ; National Center for Cultural Competence: <http://www.georgetown.edu/research/guccdc/nccc/>
5. **Community-based service systems will be organized so families can use them easily.** Champions for Progress Center: <http://championsforprogress.org>
6. **All youth with special health care needs will receive the services necessary to make transitions to all aspects of adult life.** Healthy and Ready to Work National Center: <http://www.hrtw.org>
