Medical Coverage

Medicaid provides comprehensive medical, dental and vision coverage to North Dakota children and adults.

- **Children with Disabilities Medicaid Coverage** allows qualifying children with disabilities to buy into Medicaid. The program provides comprehensive coverage through Medicaid, including dental and mental health coverage, in return for a premium. (Apply at your local county social service office.)
- **Children with Medically Fragile Needs Medicaid Waiver** is designed to assist qualifying medically fragile children between ages 3 and 18. The child needs to be living at home, be Medicaid eligible, be able to meet Level of Care criteria for a nursing home and meet criteria based on the Level of Need. (701.328.3701)
- **Workers with Disabilities Medicaid Coverage** allows some individuals with disabilities who want to work, or who are already working and who want to increase their earnings, to do so without fear of losing their Medicaid coverage. It allows qualifying individuals to buy into Medicaid. The program provides comprehensive coverage through Medicaid, including dental and mental health coverage in return for a premium. (Apply at your local county social service office.)
- **Children & Family Coverage** provides coverage to children younger than 21, to pregnant women, and to adult caretakers of deprived children. Most receive full coverage; however, some with higher income may be required to pay for a portion of their care. (Apply at your local county social service office.)
- **Age and Disabled Coverage** provides coverage to blind and disabled individuals and those older than 65. Recipients may be required to pay for a portion of their care based on their income. (Apply at your local county social service office.)

Healthy Steps is a benefit program for eligible North Dakota children to age 19 who do not have a source of health-care coverage. The program offers comprehensive medical, dental and vision coverage. (877.KIDS.NOW or 877.543.7669)

Caring for Children is a benefit program for eligible North Dakota children to age 19 who do not have another source of health-care coverage. The program offers primary medical and dental care as well as mental health and chemical dependency treatment.
