

FVND Health Information and Education Center

HELPING NORTH DAKOTA FAMILIES

**Do you have a child
with a disability or
chronic health illness?**

**Need to speak with another family
with a similar diagnosis?**

**Need information and resources in
your community?**

**Need to learn how to advocate for
your child?**

**Need help in navigating the
various systems your child needs?**

**Need help in locating linkages
for you and your child?**

**Receive information through
publications, list servs, library
and workshops**
